Travel To Les Cayes

The journey started yesterday, July 24th. The team met at the church to go over any last minute details and packed donations, luggage and supplies in the vans. They traveled to Ft. Lauderdale and stayed the night. At 6:00AM this morning our group headed to the airport to catch their flight into Haiti and we received a call from Chuck that they were boarding the plane at 8:45 a.m. this morning. Once they arrive, they will split into two groups and be taken by charter planes to Les Cayes. As soon as we get a call we will send an email to let you know that they have arrived safely. If the team arrives early enough they will head to the orphanage, then unpack, and organize their materials for the busy week ahead.

Les Cayes, Haiti

Haiti is the poorest nation in the Western Hemisphere with one of the highest HIV/AIDS rates in the world. Over half the population practice voodoo, a form of spiritual witchcraft. The people of Haiti are warm, friendly, and extremely open to the Gospel of Jesus Christ. They are hungry for hope in an often chaotic, impoverished society. This is a very important time for missions in this country.
