ROL Update Day 3

Come, Now Is the Time to Worship

Come, now is the time to worship
Come, now is the time to give your heart
Come, just as you are, to worship
Come, just as you are, before your God
Come.....

Haiti's primary religion is

paganism. Roman Catholicism is the official religion of Haiti, but voodoo may be considered the country's national religion. The majorities of Haitians believe in and practice at least some aspects of voodoo.

Church Services

The group will be attending multiple church services today in Les Cayes with the children they are working with as well as the other ministries that are participating in the building project. There will be a morning service from 9am – 11 am and then a evening service from 6pm – 9pm.

Please pray for our mission team to be able to make a dramatic impact on the pagan culture of Haiti. Let them be witnesses by their actions and words for the Haitian people.

El Shaddai Ministries

While Haiti is considered to be a Third World and has gone through periods of political unrest, the mission team will be working directly with a local pastor as well as two Miami-based ministry staff from El Shaddai. The team will stay in a secure building in a safe section of Les Cayes. In the past, this mission group takes precautions to protect mission participants and has never had a problem with theft or violence. For more information on El Shaddai ministries look under the GCA website www.gcanet.org
