ROL Update Day 6

1 John 1:7

But if we walk in the light, as he is in the light, we have **fellowship with one another**, and the blood of Jesus, his Son, purifies us from all sin.

Team Building Day

After many days of hard labor and busy schedules the team plans to spend the day building their relationships and relaxing during their team building day. Pray for them to be rejuvenated to finish out the remaining days of their trip by being powerful witnesses of Christ.

Prayer Requests:

- **Prayer for encouraging conversation and rich fellowship among the group members during their team building day**
- **Pray for God's impact on the people of Haiti**
- **Please pray for travel mercies as the team travels home Friday**

Beautiful Places of Haiti

Although Haiti is a very impoverished Third World Country there are still many very beautiful places in the country. The photo to the left is a picture of the statues in the People's Park in Cap Haitian, Haiti. It is the second largest city in Haiti and some of the most beautiful beaches on the island. The picture to the right is of Labadee a beautiful side of the island which is the location of Haiti's most famous beach.
