DID YOU TAKE THE CHALLENGE?

In [last week's e-News article](#), Pastor Chuck challenged us to read the Bible in one year. I have accepted that challenge—have you?

I downloaded one of the schedules he referenced and have started reading. It took some extra reading to get up to date but it was great getting into God's Word.

Confession time...I always do a daily devotional but usually it is a short word of encour-

agement with a short printed Bible verse. By holding the Bible in my hands, praying for God to direct my path through His word and reading directly from the Bible (more than just a couple verses) I felt so blessed and so close to God!

Then Sunday in the message Pastor Chuck gave us another challenge. The sermon was titled "Solitude" He said to spend some

time alone and allow God to speak. If you missed church Sunday listen to the message [on-line](#) or download it to your iPod and listen when you are exercising or driving.

I don't know about you, but I am pumped! Let's hold each other accountable to daily reading God's word and spending time alone with Him.
